A ministry of Jefferson Baptist Church

Philosophy

Philosophy is the basic foundation of education -- there *is* no education without presuppositions and values. For the Christian school, the first basic presupposition is that God is, and has revealed Himself and His will through creation, history, Jesus Christ, and the Scriptures.

God's Word gives us the truth about all areas of our lives, and therefore applies to all areas of the Christian school: each subject in the curriculum has a Biblical source, purpose and end.

We are first required to bring ourselves to God through accepting Jesus Christ as our Savior and our Lord, then we obey the Bible and its principles, affecting our government, economics and culture. Christian schooling will mature students in Christ, so that whatever their vocation, they will bring glory to God by their person and conduct. (Col. 1:28)

We believe that truth stems from God and is absolute in character; in view of this, our goal is to bring every student to:

1. **Discern** the truth based upon God's Word.
2. **Master** the truths involved.
3. **Apply** these truths to his/her own life circumstances.

Purpose Statement

Jefferson Christian School is a ministry of Jefferson Baptist Church. In Matthew 28:19,20 Christ commissions the church to make disciples, i.e., learners who will observe the way of the Lord. Deuteronomy 6:4-9 is God's commission to parents to teach their children to love and serve Him with their whole heart.

It is, therefore, the purpose of Jefferson Christian School as an arm of the church to assist parents in accomplishing their responsibility under God to train their children to please God.

Overall Objectives

1. To instruct each student so they come to an understanding of Jesus Christ as: their Savior and Lord.
2. To develop in each student Christian character based on the moral principles of God's Word.
3. To develop in each student a "God-consciousness" so that their whole life revolves around worshipping, serving, and glorifying God.
4. To develop in each student the attitude and skills to become a bold and effective witness for Christ.
5. To equip each student with the basic skills needed to become independent learners.
6. To develop the self-discipline which will enable the student to achieve his/her goals.
7. To assist each student in understanding his/her purpose and goals for life.
8. To develop a base of knowledge and attitudes that will lead each student to be an active participant in the life of the church and community.
9. To provide a quality Christian education that emphasizes God's sovereignty academically, spiritually, physically, and socially.
10. To provide a quality Christian education that is affordable to the families of our church and surrounding community and is financially self-supporting.

Doctrinal Statement

Jefferson Christian School was founded on and functions upon the basic fundamental principles of the Word of God, and it espouses the historic Christian view of life as presented in the Bible. Jefferson Christian School employees hold the following statements of faith and practice:

- We believe the Bible to be the only written, implied Word of God. As such, it is infallible and authoritative. (2 Tim. 3:16)
- We believe that there is only one God, eternally existent in three persons: Father, Son, and Holy Spirit. (1 Cor. 8:6)
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory. (Matt. 1:18-25)
- We believe that for salvation of lost and sinful man regeneration by the Holy Spirit is essential. (Eph. 2:8-9)
- We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life. (John 14:16-17)
- We believe in the spiritual unity of believers in the church, which is the body of Christ. (Eph. 3:1-6)
- We believe in the resurrection of both the saved and the lost: those who are saved unto the resurrection of life, and those who are lost unto the resurrection of damnation. (Rev. 20:5-6)
- We believe that each individual's sexual orientation/identity is designed by God to be male or female at birth. (Genesis 1:27-28; Genesis 5:2; Matthew 19:4; Mark 10:6)

AFFILIATION STATEMENT: Jefferson Christian School neither supports nor endorses the World Council of Churches, National Council of Churches, or any other world, national, or regional organization which gives Christian recognition to unbelievers or which advocates multi-faith union. (Amos 3:3, II Cor, 6:14-17)

The Statement of Faith is fundamental to basic Christian tenets and contains those doctrines to which we unreservedly adhere and teach. The following areas are left primarily to the teaching of home and churches:

1. Church government – authority, discipline
2. Time and mode of baptism
3. Security of the believer
4. Gifts of the Spirit (tongues, interpretation of tongues, healing, miracles)
5. Second work of grace – baptism of the Holy Spirit
6. Sinless perfection
7. Timing of future events

In honoring this desire concerning the purpose and outreach of the school, there shall be no attempt by student, teacher, or parent to promote these denominational positions. We desire to remain united in the salvation and love of Christ, avoiding the dissension that may be caused by denominational position and distinctives.

JCS makes no distinction concerning an individual's race or ethnic background because we acknowledge that there can be no preferential treatment with God. (Romans 2:11)

1st grade school day operates from **8:30am - 2:30pm Tuesday-Friday**. Teachers are not available to give adequate supervision before 8:20 a.m. or after 2:45 p.m. Therefore, parents are asked to be prompt in picking up their children. **1st grade late charges at \$1/minute begin at 2:46pm.**

Transportation: Parents are responsible to provide transportation to and from school. We will not be using the public school buses or providing a shuttle from the public schools.

***Due to liability issues, teachers are not allowed to transport students from school to their home.**

Absences: Parents are responsible to report their student's absence to the school office by 8:30 that morning. We recognize that some absences are unavoidable due to health or other circumstances. However, we also recognize that if too much school is missed (regardless of the reason), it has a detrimental effect academically and may establish a poor habit. A child is less likely to succeed if chronically absent (20 or more days over the course of an entire school year). Unreported absences will result in a phone call by school administration. Repeated unreported absences will result in a parent/teacher conference. If a student is more than 10 consecutive days absent without notification by the parent, the student will be dropped from the attendance record. (OAR 581-023-0006 (4)(b)) Tuition already paid is non-refundable for a student who is removed for unreported absences. Should a parent/guardian wish to re-enroll a student, a conference with a school administrator and teacher will be required as well as re-committing and signing the parental agreement, and paying a non-refundable re-registration fee of the current registration fee.

Lunch: Students need to bring a ready-to-eat, healthy lunch daily, as well as snacks for break times. There is no hot lunch program at the school, except on special occasions.

Medical Guidelines: No staff person is to administer any medicines to students for headaches, allergies, or other reasons without parent authorization in writing. All medicines will be kept locked in the school office and be administered only by authorized personnel. No student is allowed in school with a contagious condition, a temperature above 100°, or if they have involuntarily vomited within 24 hours.

Telephones: Students are limited to "emergency" calls only. The use of personal cell phones is prohibited by students during school hours.

Dress Policy

Our Dress Code should be consistent with the goals of JCS. The mission of JCS is discipleship and to encourage students to reach for God's highest potential in their lives, including a leadership quality which will impact others. It has been documented that dress and appearance makes a difference in behavior. All students are to be clean, neat, and modest in their dress. On Chapel days, girls should wear a dress (with leggings or shorts underneath) and boys should wear dress slacks with a collared shirt (polo or button down).

NO offensive language is allowed on clothing, as well as other inappropriate dress. Girls are to wear leggings or shorts under dresses. Shoes appropriate for running please – no flip flops.

Discipline Policy

Jefferson Christian School is not a corrective institution; consequently, we ask that a child not be enrolled as punishment or so that we will 'reform' him/her.

Since the school is working closely with parents, you will be notified of any misbehavior of your child and the corrective measures we take.
